

ICTM/ISTA ANNUAL CONFERENCE

Dear Educational Leader,

We invite you and your K-12 mathematics and science teachers to attend the [2019 ICTM/ISTA Annual Conference](#) on October 18-19 in Peoria, Illinois. Since 2015, ICTM has been partnering with ISTA (Illinois Science Teachers Association) to provide an integrated conference experience in which participants can engage in STEM professional development in one place. Attendees earn **Illinois Professional Development Hours** (PDHs) from ISBE by participating.

THE ADMINISTRATOR PROMOTION RETURNS!

We know that with your support, teachers are better positioned to implement best practices. **An administrator attending with a paid teacher registrant from your district may come to the conference for only \$50.**

WHY YOU SHOULD ATTEND

- Keynote speaker [Jose Vilson](#): He is a mathematics educator, author, activist, and father. He is the executive director of EduColor. In the Spring of 2014, his first solo project *This Is Not A Test: A New Narrative on Race, Class, and the Future of Education*, was published by Haymarket Books.
- Both days include sessions for administrators that will provide information for you to bring back to your district.
 - **Student Agency, Identity, and Building Community** (6-12)
 - **Powerful PLCs** (9-12)
 - **Assessment: Student Growth with Learning Progressions** (K-12)
 - **Supporting ELs in Math** (6-8)
 - **Equitable Access to Math** (K-12)
 - **Social Justice Math Lessons** (3-12)
 - **Transitional Math** (9-12)
 - **Ideas to Promote Student Collaboration** (PreK-12)

HOW TO REGISTER

- Teachers can [register here online](#).
- Administrators, please contact registration@ictm.org for details and to obtain the code.
- Note: Early bird registration ends on **October 1**. Discounted hotel rates end **October 3**.

Please share this information with your faculty and your colleagues. This is an exceptional conference that you will want your teachers to attend! The conference includes sessions and workshops devoted to improving the teaching and learning of mathematics at all levels and for all students. Most of all, we would be delighted to have **you** attend this exciting event. Any questions? Contact either of us personally (murawskaj@skokie69.net or jbabel@leyden212.org)
